

Nico and His Cousins

Nico and His Cousins is a collection of hand-built sculptural ceramic table lamps that inspires the joy of working with hands through unpacking, assembling and balancing weights. Handmade ceramic globes and hanging steel wire come fit right inside the belly of the hand-shaped base. The owner can easily change the wire components and the number and the color of the globes to reflect a change of seasons, interior decors or taste.

Dimensions & weight

| Key | Title | In. | cm |
|-----|-------|-----------------|--------------|
| T | Nico | 9 x 4 x 16 | 23 x 10 x 41 |
