

## White Bowerbird

White Bowerbird is a ceramic pendant lamp with a warm glow reflecting off of a round form. The humorous friendly form makes a wonderful interior accent when installed with a single shell, and, as each shell is individually hand formed and unique, creates a pleasant rhythm when installed as a pair or multiple shells.

### Dimensions & weight

Shell: 5-6 dia x 14-16 h in. / 13-16 dia x 35-41 h cm  
 2 lbs / 1 kg each  
 Custom drop length, please specify  
 5 in. / 12.5 cm diameter ceramic canopy

### Materials

Shells, canopies, socket covers and finials in hand-built ceramic in a warm-white matte glaze, off-white nylon-covered SVT lamp wire, brushed brass hardware, and electrical components

### Light source

1 x E-12 candelabra base per shell, 60W Max  
 Compatible with LED replacement lamps

### The story

White Bowerbird is from the Courtship Behavior, a project inspired by a curious behavior of Satin Bowerbirds from the eastern Australia.
